- We will print and mount successful entries and all exhibitors will be invited to the formal launch.

CONSENT TO USE, CAPTURE AND SHARE IMAGES

I give consent for the Autism Community Network to use images of me for the purposes of:

- a) exhibiting at the ASD Kids Photography Exhibition: Looking through the Spectrum
- b) reporting on or promoting Autism Community Network projects
- c) providing training

I understand that I may request to see any images before they are published. In such cases, the Autism Community Network will send a copy of the image to my email or home address.

I understand that I can withdraw this consent, generally or in relation to a particular image and/or audio-visual recording, at any time by informing the Operations Manager in writing.

If consent is withdrawn, generally or in relation to a particular image and/or audio-visual recording, the Autism Community Network will take all reasonable steps within its control to withdraw the image from its website, publications and records. The Autism Community Network will also request removal by any third party of which it is aware but cannot guarantee removal from all media.

I agree that I will make no claim against the Autism Community Network for the use of images when used as stated above.

I understand that, once the image has been published, it may appear in a range of media and may be accessible on the internet.

If I am the Guardian or Person Responsible, I have explained the information, acknowledgements and consents given in this form to the Person receiving support in a way that is appropriate to his/her level of understanding and which I believe allows him/her to be involved in the decisions recorded in this form as far as practicable.

Person providing consent
